STRATUS
KITCHEN SURFACE SOLUTIONS

Greenlam

Creating beautiful and unique spaces is how Greenlam started its journey. For over two decades Greenlam has been known and respected for its exceptional artistry, unsurpassed quality, and unyielding passion for excellence. With thousands of decors and surface solutions spread across laminates, compacts, decorative veneers, engineered wooden floors and doors, Greenlam has emerged as one of the foremost surfacing solution brands in the world. Its pioneering and innovative designs have won acclaim in over 100 countries with millions of delighted customers. The newness and innovations Greenlam offer make it the preferred choice of architects and consumers. Greenlam understands its commitment towards the people, planet and processes and takes all measures to ensure a healthier, safer world. From sourcing to manufacturing to recycling, we have many stringent measures in place.

Greenlam

STRATUS

KITCHEN SURFACE SOLUTIONS

COMPLETE SURFACE SOLUTIONS FOR YOUR KITCHEN

Greenlam brings to you a way to turn your kitchen into a piece of art. Presenting Stratus Kitchen Surface Solutions, a co-ordinated range of countertops and backsplashes. A perfect blend of style, utility, and durability, these temperature-neutral and easy-to-install kitchen surfaces bring your kitchen alive through countless textures and designs.

	Activity after 24 hours	Log Reduction		2.0 (min)	Exceeds

Bacteria tested: 1. Pseudomonas. 2. Entrococcus Faecalis, 3.Candida Albicans 4.Pseudonomas Aeruginosa 5. Escherichia Coli 6. Klebsiella 7. MRSA (Methicillin Resistant Stapphylococcus Aureus) 8. Salmonella Enterica

Fungus tested: 1.Aspergillus niger 2. Penicillum funicollosum 3. Gliocladium virens 4. Chaetobium globosum 5. Aurobasidium pullulans

Note: Whereas Greenlam products are manufactured thoroughly to standards, the nature of the application procedure is beyond our control. The values given above are to the best of knowledge but without liability/warranty, expressed or implied.

CERTIFICATIONS

Safe and Healthy Living alongside Greenlam Products

GREENLAM® compact laminates are manufactured with safeguard Plus Technology. An revolutionary development that inhibits the growth of vast majority of virus, bacteria, and fungi. This double layer protection ensures safe & healthy products that are ideal for any kind of environment.

GREENGUARD Certification Program

GREENLAM® laminates are classified under the Low Emitting Product category when measured for potentially harmful emissions. This is an assurance that our products are ideal for use in interior environments where air quality is vitally important.

GREENGUARD Gold Certification

This certification, with a stricter criteria, means that **GREENLAM®** products are suitable for use in environments where children spend significant periods of time, including schools, daycares and healthcare facilities.

GREENLAM® products have been awarded CE certification which is given to those manufacturers who declare that the product complies with the essential requirements of the relevant European health, safety and environmental protection legislation, in practice by many Product Directives. CE Marking on a product indicates to goverment officials that the product may be legally placed in the market in their country.

All **GREENLAM®** Compact Laminates are certified by the prestigious American body, NSF International, making them the safest laminates for human health. Our surfaces can be used in situations where they will have direct contact with food.“Our surfaces have also been tested in accordance with EC directive 1935 with regards to food safety. Our products were proved fully compliant through testing to the demanding EU Food Commission Regulation 10/2011 with successful testing to BSEN 1186-1:2002, BSEN 1186-3:2002 & BSEN 1186-14:2002”.

GREENLAM® products are tested in accordance to BS EN 438 – 2 and strictly conforms to all the testing standards for dimensional stability and performance levels such as boiling water, moisture, impact, scratches and stain resistance.
